

After careful review and consideration, the following stakeholders have been identified to participate at the Fulbright Regional Network for Applied Research (NEXUS) program midterm meeting in Querétaro, Mexico.

Stakeholders will be invited to participate in the meeting on Wednesday, October 5 and Thursday, October 6, 2011. Meals and lodging will be provided for three nights beginning Tuesday, October 4<sup>th</sup>. CIES will be sending additional information on travel logistics, including travel reservations for stakeholders, which will be handled exclusively by an online booking system.
